LJCooper Recognized as a Top Wealth Manager

LJCooper is pleased to announce our second consecutive year ranked as a top wealth manager by Wealth Manager Magazine. Wealth Manager Magazine serves the professional investment community and those firms that practice wealth management in its highest form.

“We are thrilled to be ranked again, and despite the turbulent economic times actually improved in the rankings by 90 spots over last year. I think that says a lot for our adviser’s ability to stay focused on our clients’ needs and provide them excellent service and timely education.” Stated Craig M. Porter-Rollins, Chief Executive Officer of LJCooper Capital Management.

The rankings are derived from surveys of firms from all over the country, based on average assets under management per client. LJCooper Capital Management ranked # 389 nationally and was one of the highest ranked firms in Utah again for 2009.
